

Business Presentation

Everybody Shops.

**Are you a
Smart Shopper?**

What is the definition of a Smart Shopper:

A Smart Shopper is when you receive income from people who shop.

Earnings depend on qualifying activity and compensation plan requirements. Not a guarantee of income.

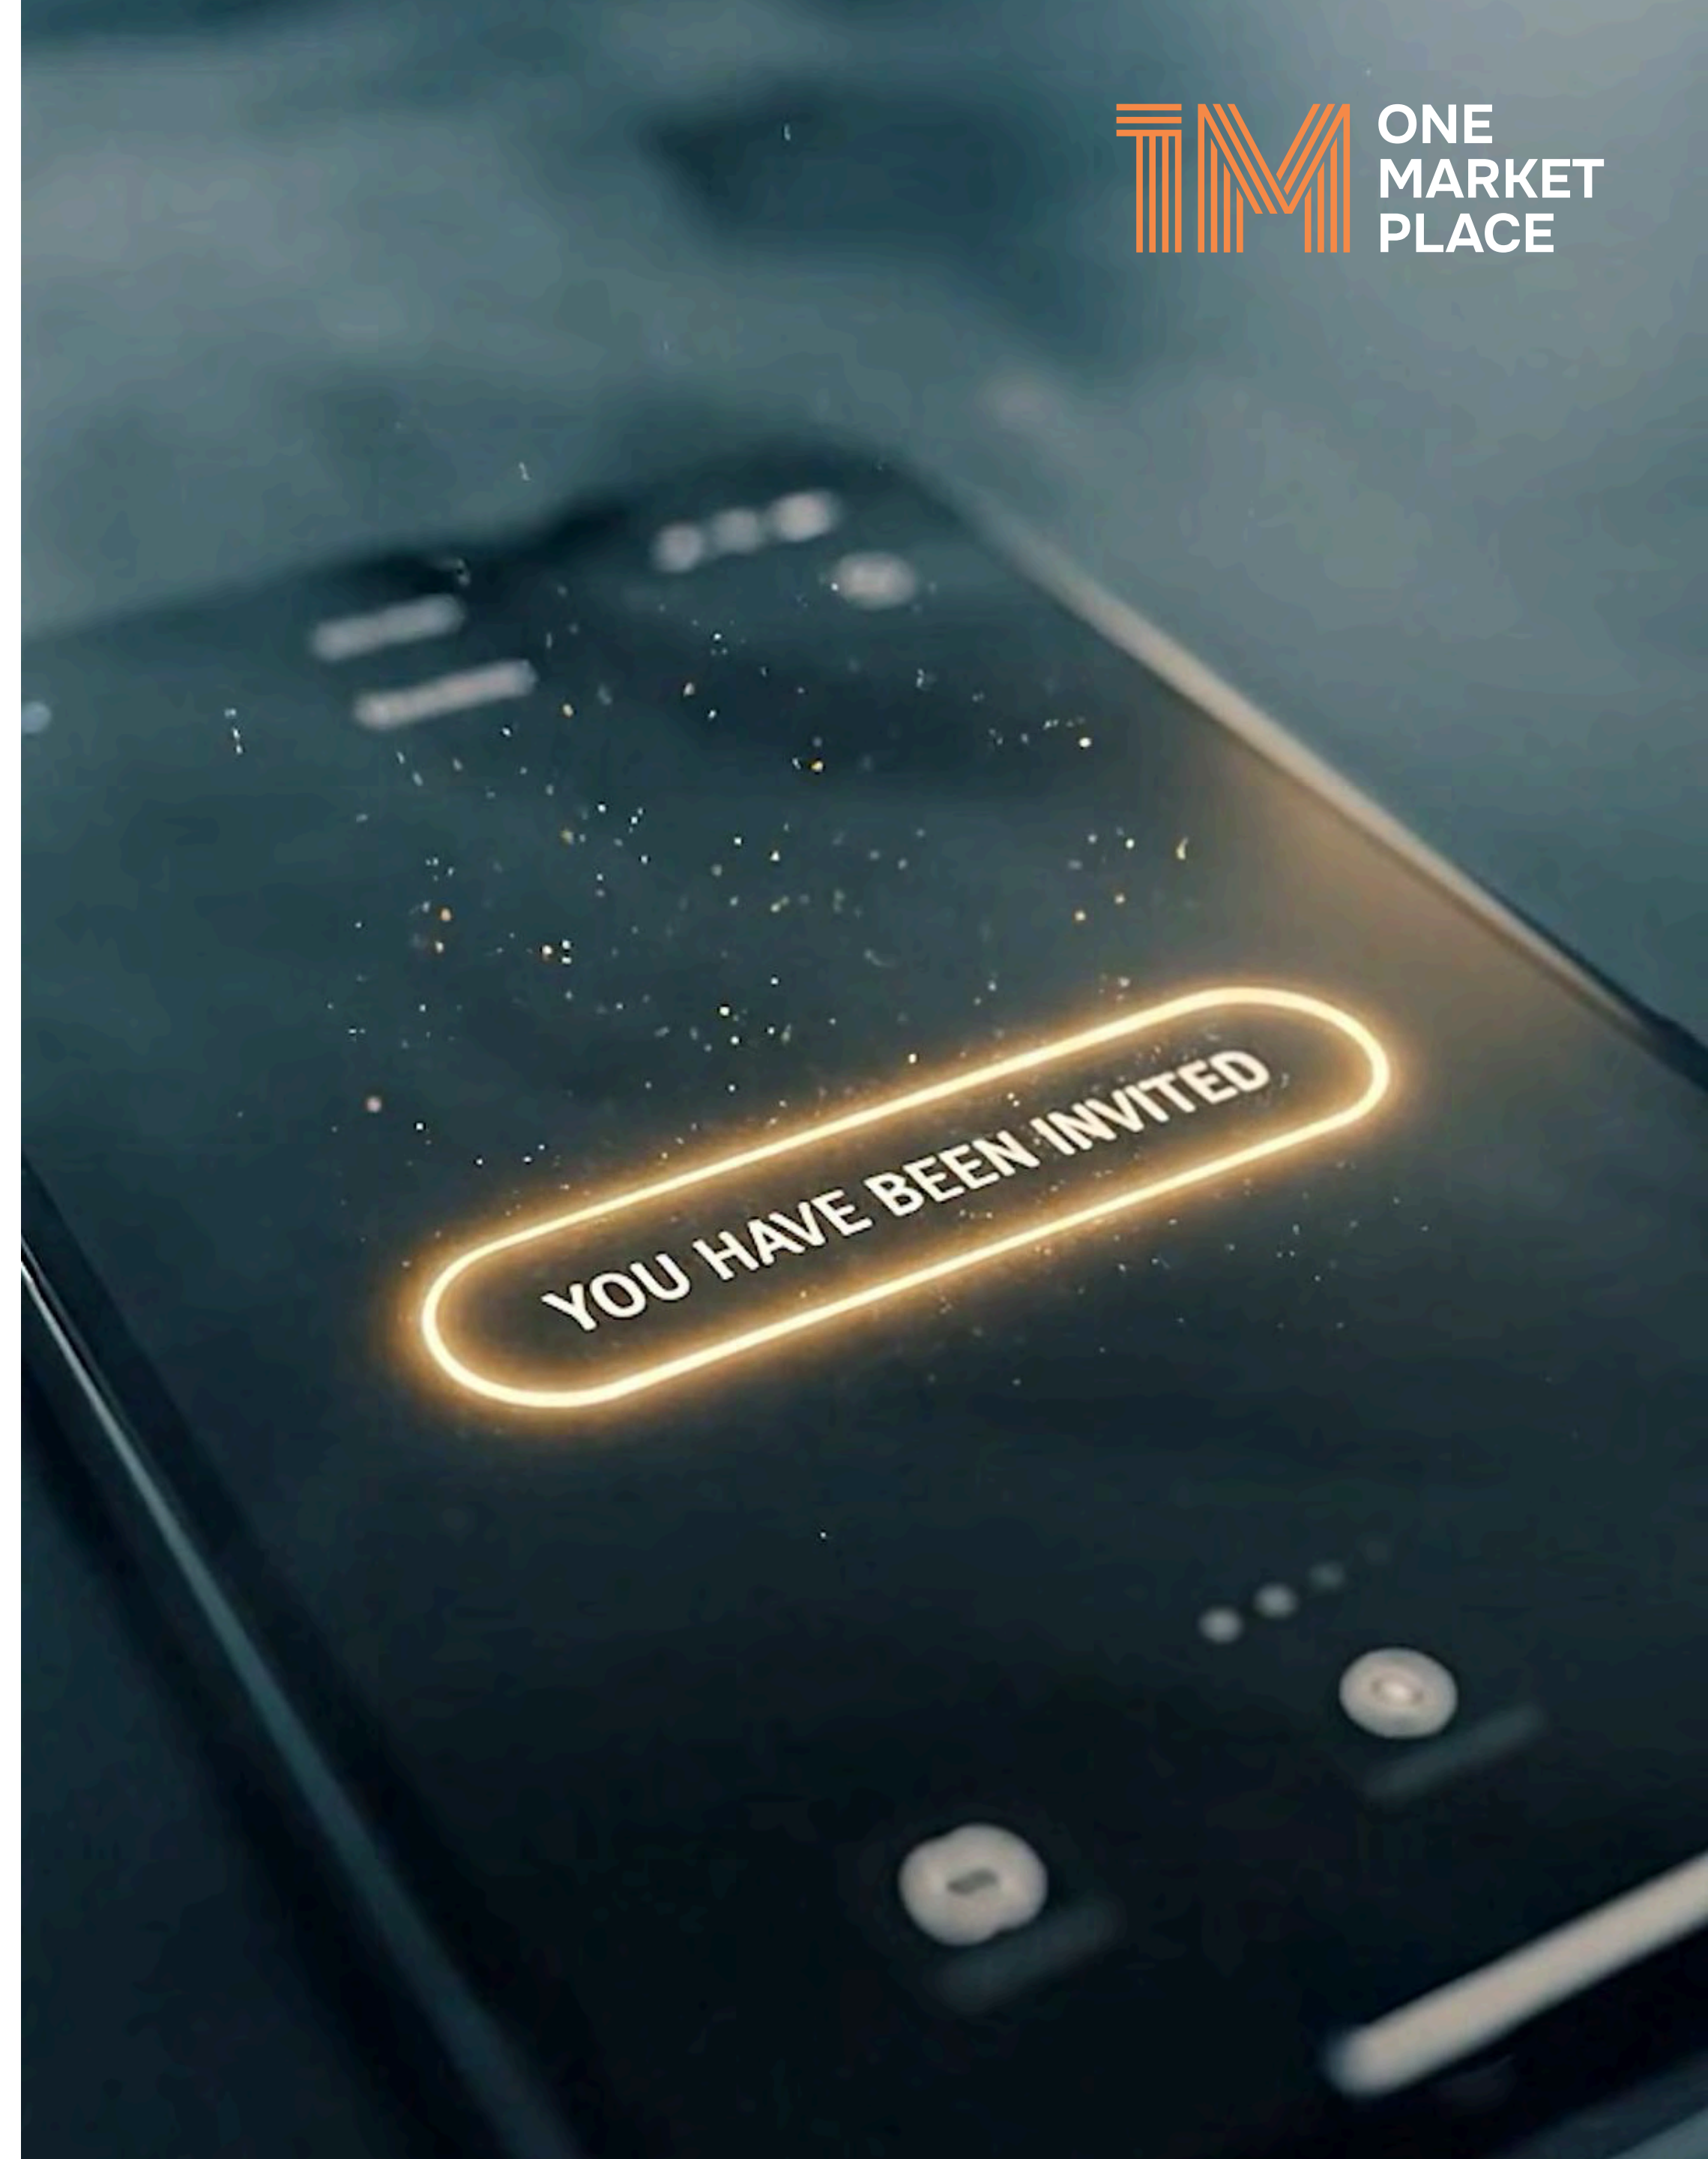

So where can you become a Smart Shopper?

At One Marketplace

You receive income from people who shop using the first ever “Connective Marketing System”.

Earnings depend on qualifying activity and compensation plan requirements. Not a guarantee of income.

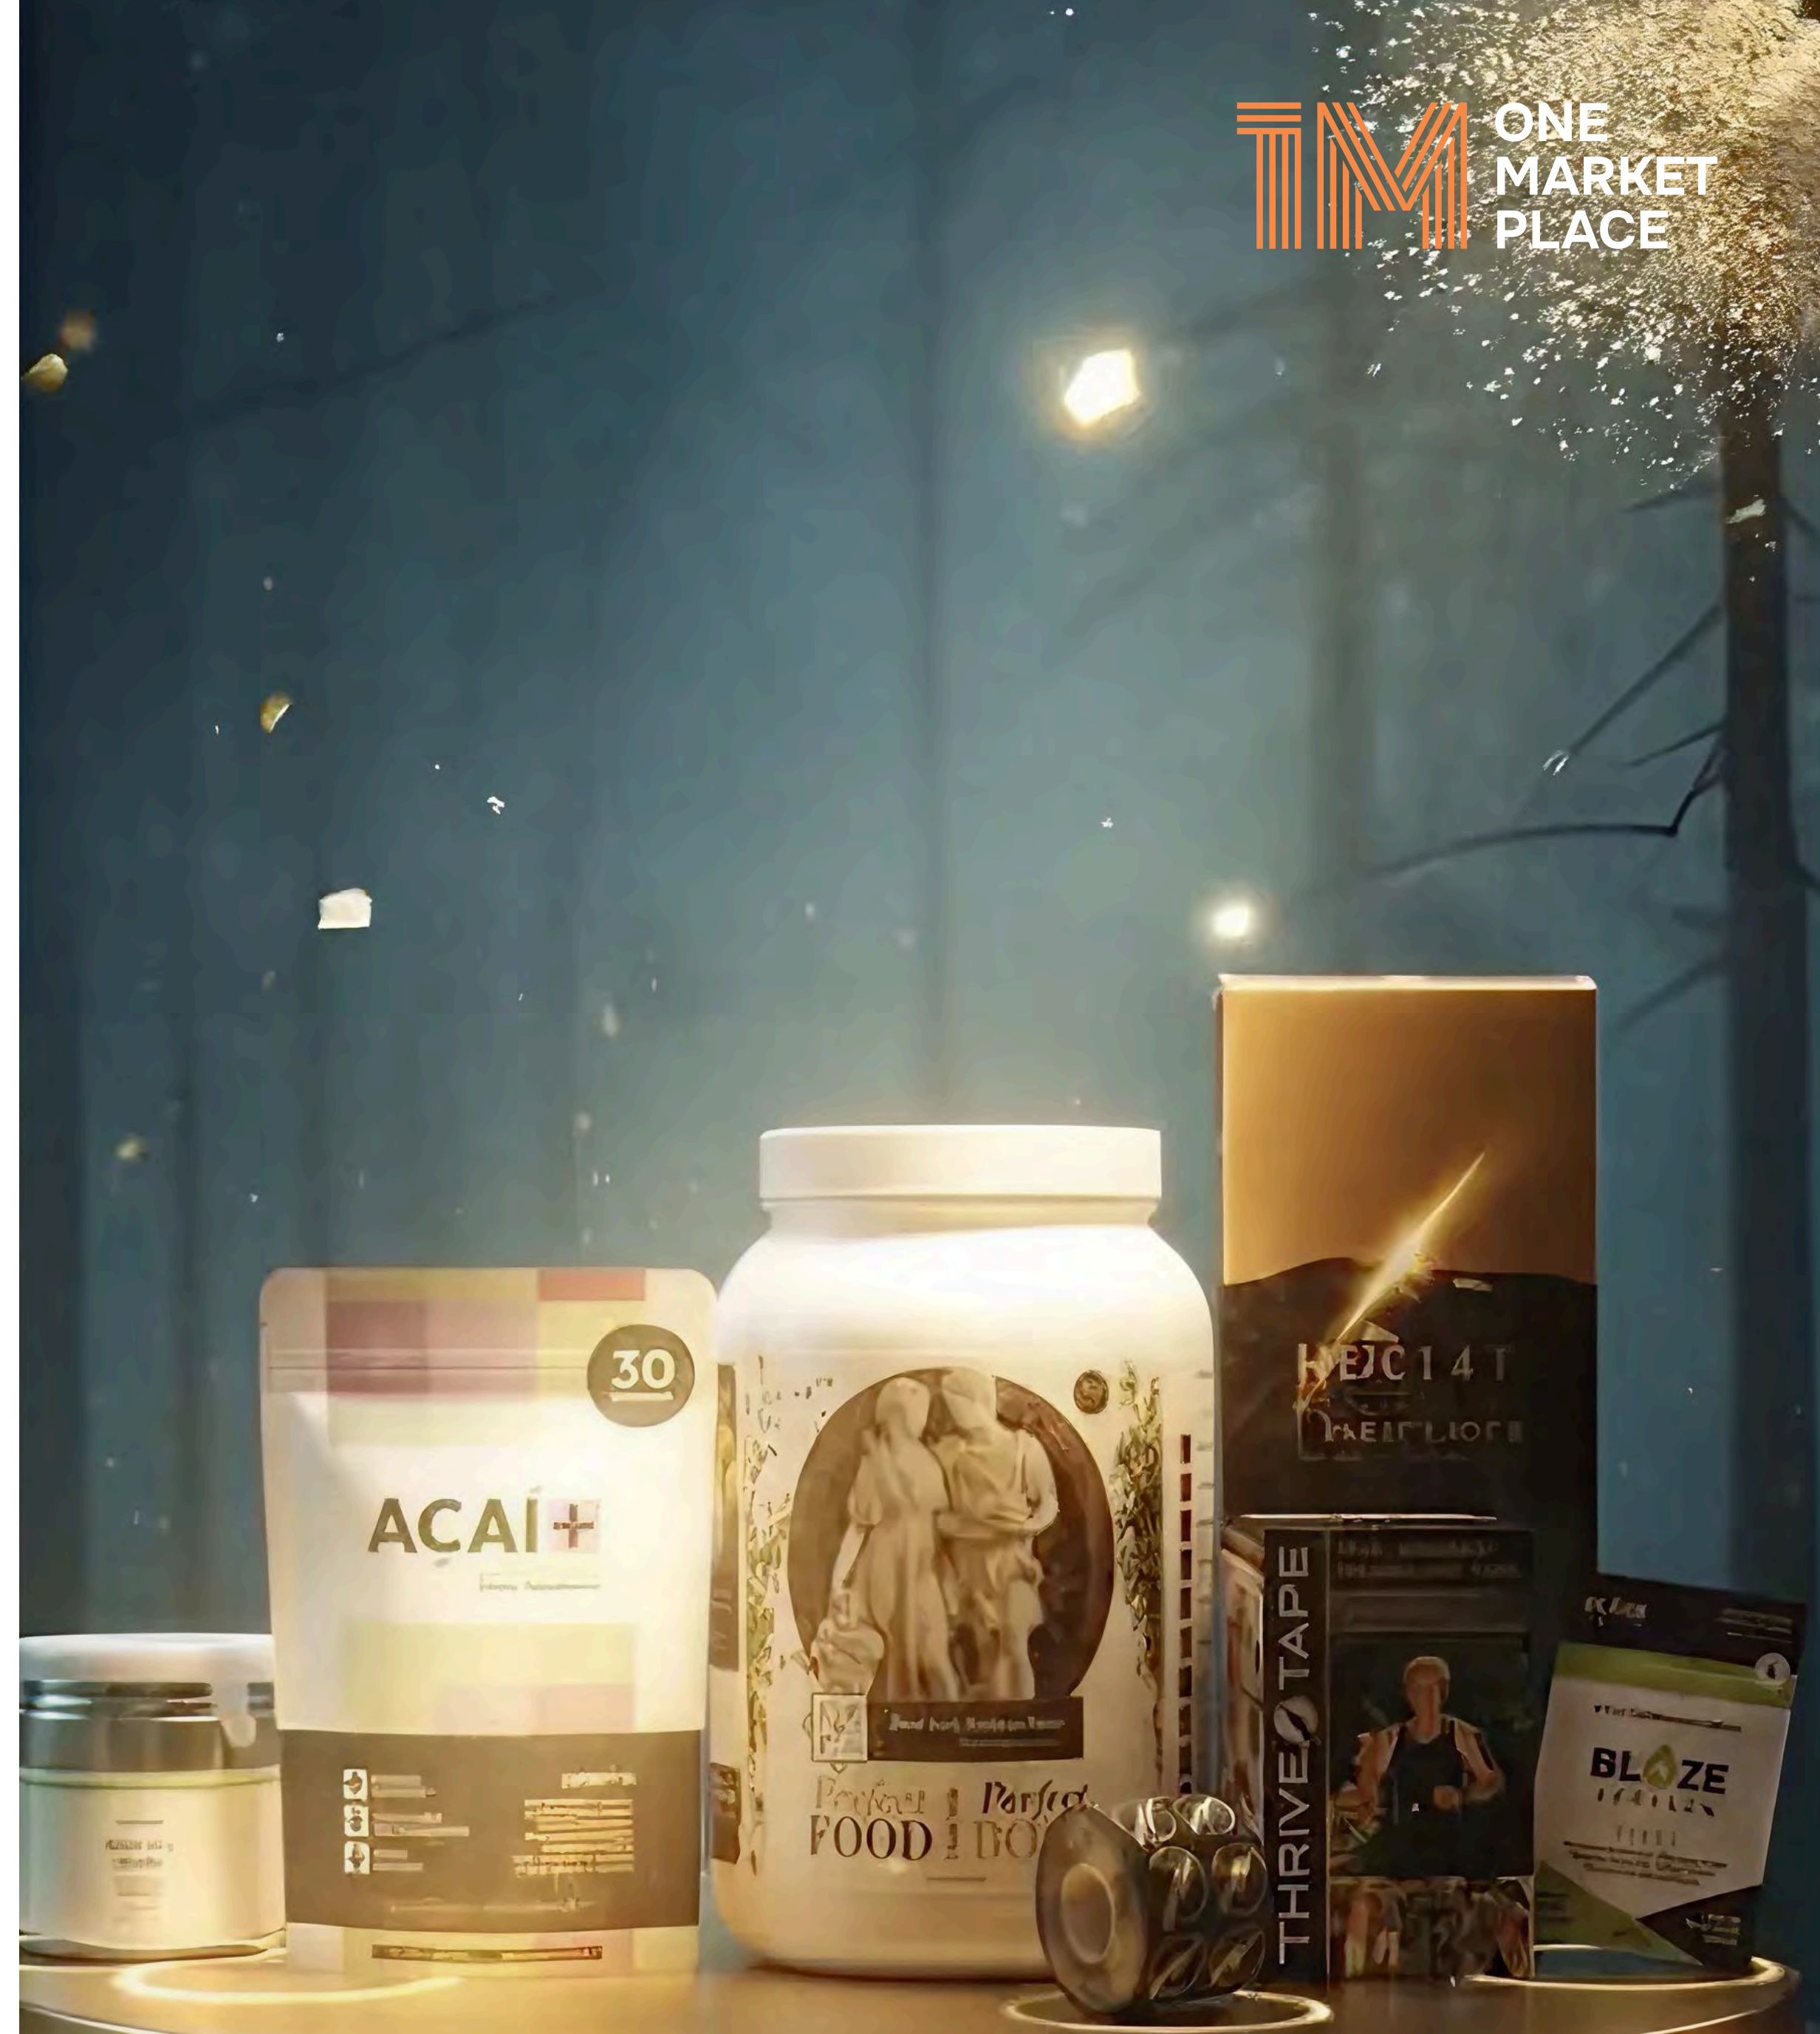

Question 1: What is One Marketplace?

**One Marketplace is
an Online Revenue
Shopping Portal with
a wide variety of
Curated Products.**

**And every product
earns you a
commission.**

What happens Next?

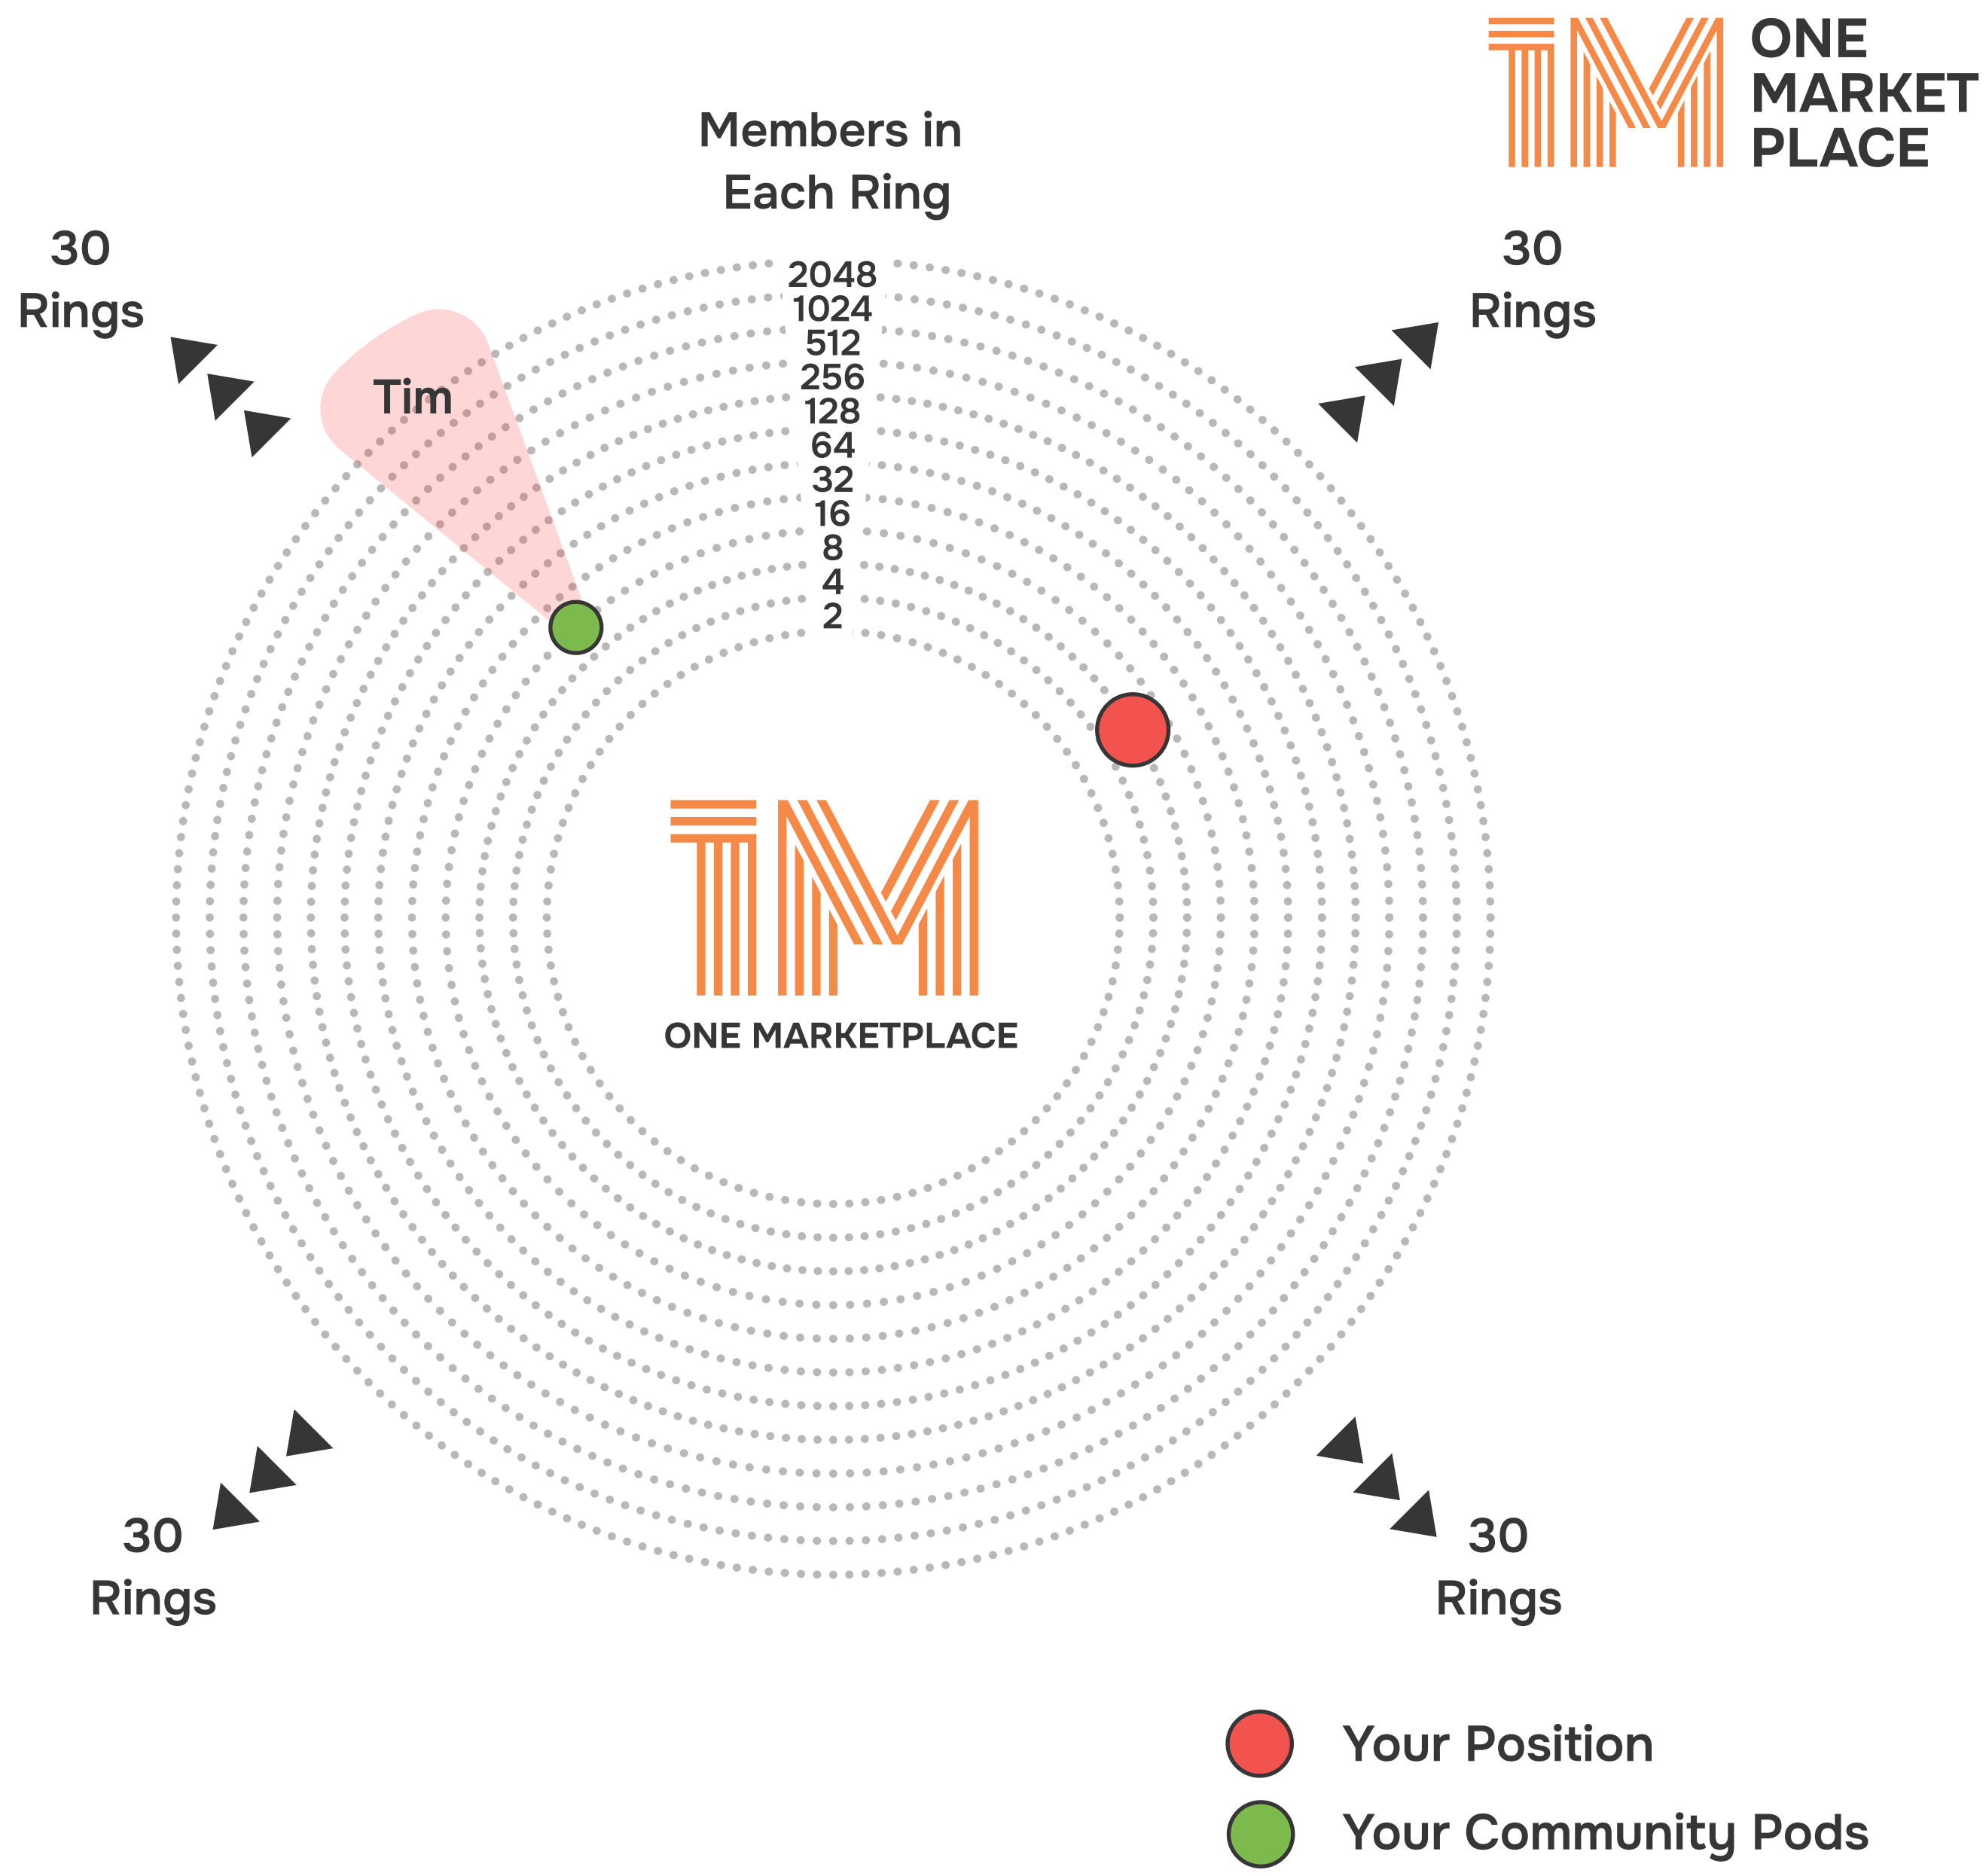

Community Pods

Here's where your earning potential starts!

You've invited "Tim"

"Tim" Starts your first Community Pod

One Smart Shopper Starts 1 Community Pod.

Earnings depend on qualifying activity and compensation plan requirements. Not a guarantee of income.

Let's Define a Community Pod:

You get paid on every
Smart Shopper that enters
your Community Pods

A Full Community Pod is
2047 Smart Shoppers

What do you earn from your Community Pods?

You earn monthly commissions from Membership Subscriptions and Shopping.

As your Community Pods grow over time, so does your income.

**\$6,000+
Monthly**
